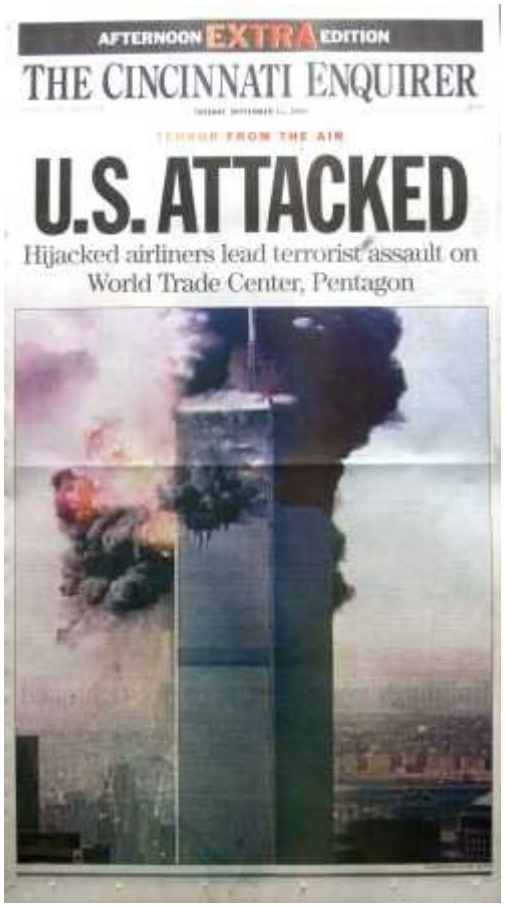
Deputy Under Secretary of Defense
Installations & Environment

CBRNE: WORKER PROTECTION
The Changing Face of DoD Safety & Occupational Health

Maj Lisa May
DUSD(I&E)
Safety and Occupational Health
18 Dec 2002

WHY? WORKER PROTECTION



AFTERNOON EXTRA EDITION
THE CINCINNATI ENQUIRER
U.S. ATTACKED
Hijacked airliners lead terrorist assault on World Trade Center, Pentagon

WHO? WORKER PROTECTION

- The Pentagon
  - USACHPPM
  - USAF, Andrews AFB & Bolling AFB
  - USUHS
  - Navy, NNMC
- The Hart Building
  - USACHPPM
  - USUHS
  - Marines

WHO? WORKER PROTECTION

- **The Brentwood Postal Facility**
  - **USACHPPM**
  - **Marines**
- **Anthrax**
  - **EPMU 6, Hawaii**
  - **AFIERA**
  - **NEHC**
  - **USACHPPM**

Who? The Players

- **SO/LIC**
- **Joint Staff**
- **Homeland Security Task Force**
- **AT&L:**
  - **(I&E) Safety and Occupational Health**
  - **CBD**
- **Health Affairs**
- **PA&E CBRNE POM Issue Team**
- **Services**

WHO? The Players

- **WMD Civil Support Teams**
- **Fire**
- **Security**
- **Safety**
- **Medical**
- **Industrial Hygiene/Environmental**
- **Engineers**

VISION: WORKER PROTECTION

- **STRATEGY**
- **VISION: CBRNE Response Capability at DoD Installations throughout the WORLD**
- **MISSION**
- **GOALS**

MISSION: WORKER PROTECTION

- **The Mission of DoD Safety and Occupational Health is to Protect DoD Workers from Risks Associated with their Workplaces (Unintentional Injuries/Illnesses)**
- **<u>The Shifting Paradigm</u>: Protect DoD Workers from Workplace Risks Associated with Terrorist Attacks (Intentional Injuries/Illnesses)**

CBRNE: WORKER PROTECTION

- Is This A Different Way of Doing Business? NO!!!
- Do We Need to Prepare Differently?
  - Resources
  - Personnel
  - Capabilities
  - RESPONSIVENESS!

CBRNE: WORKER PROTECTION

- **What are the Safety and Occupational Health requirements for CBRNE:**
  - **On & Off Installation, CONUS, OCONUS**
    - Monitoring
    - Laboratory Support/Analytical Capability
    - Response & Risk Assessment

CBRNE: Regulations

- Federal regulations
  - FEMA
  - Public Health Security and Bioterrorism Preparedness and Response Act

CBRNE: DoD Policy

- **DoD Policy**
  - **Joint Service Installation Pilot Program – Directing Policy**
  - **Deputy Secretary of Defense 5 Sep 02 Memorandum, "Preparedness of U.S. Military Installations and Facilities Worldwide Against Chemical, Biological, Radiological, Nuclear and High-Yield Explosive (CBRNE) Attack."**
    - CONOPS Due 15 Dec 02
  - **DoDI 2000.gg, "DoD Installation CBRNE Emergency Response Guidelines."**

CBRNE: DoD Policy

- DoD Policy
  - DoDI 6055.1, “Safety and Occupational Health”
  - DoDI 6055.5, “Occupational and Environmental Health
  - DoDI 6055.5M, “Occupational Medicine Surveillance Manual”
  - DoDI 6055.6, “DoD Fire and Emergency Services Program
  - New Policy???

CBRNE: Policy Gaps

- **Policy Gaps**
  - **Roles and Responsibilities**
  - **Who Must Be Protected?**
  - **Who Responds and When?**
  - **Analysis of Environmental Samples**
  - **COTS Equipment**

CBRNE: Policy Gaps

- **Policy Needed for:**
  - **Command and Control – Who Responds and When?**
  - **Customer Definition**
  - **Requirements of Response by Function**
  - **Defined Capabilities that are:**
    - Resourced
    - Trained
    - Ready to Deploy

CBRNE: Other Issues

- Leased Facilities
- Contractors, Family Members
- Civil Support Teams
- Requirements? CONOPS?
- NORTHCOM
- Homeland Security/Defense Role
- DPG POM Issues for CBRNE - $10B over ’04-09

Fill the Gaps: CBRNE Worker Protection

- **Where do we go from HERE?**
- **Systematic Approach**
  - **Planning**
  - **Implementation/Operation**
  - **Checking/Corrective Action**
  - **Management Review**
  - **Policy**

TEAM CBRNE: WORKER PROTECTION

- **Phase I:**
  - **DoD Worker Protection Task Force: HA, I&E, Joint Staff**
- **GOALS:**
  - **PA&E CBRNE POM Issue Team – Wedge $$$ for Occupational Health Programs**
  - **Develop Strategic Plan to Address CBRNE**
    - **Policy Gaps, Issues, Capabilities, Requirements**
    - **Resource Shortfalls (Including Personnel, Training, Equipment, Analytical Support)**

TEAM CBRNE: WORKER PROTECTION

- **Phase II:**
  - **DoD Worker Protection Task Force**
  - **Services Consulted**
- **GOALS:**
  - **Gather Data Necessary to Proceed**
  - **Policy & Capability Gaps Identified**
  - **Resource Shortfalls Identified (May be Satisfied by CBRNE POM Issue Team)**

TEAM CBRNE: WORKER PROTECTION

- **Phase III:**
  - **TASK FORCE Membership Expanded: Working Groups, Homeland Security, CHPPM, NEHC, AFIERA**
- **GOALS:**
  - **Develop Action Plan**
  - **Response/Analytical Capability MAP**
  - **Re-write/Write Policy to Institutionalize Concepts**
  - **Advocate for CBRNE Worker Protection Funds**
  - **Provide Oversight Direction into Programs**

TEAM CBRNE: WORKER PROTECTION

- **Re-write/Write Policy to Institutionalize CBRNE**
  - **DoDI 6055.1 DoD Safety and Occupational Health (SOH) Program**
  - **DoDI 6055.5 Occupational and Environmental Health**
  - **DoDI 6055.5M Occupational Medical Surveillance Manual**
  - **New Policy "DoD CBRNE Worker Protection Standards"?**

TEAM CBRNE: WORKER PROTECTION

- **Effect New Policy/Doctrine to Institutionalize Concepts**
  - **DoDI 2000.gg, "Installation Emergency Response CBRNE" – SO/LIC**
  - **Occupational Health DoDI, DPG, MPG, etc…**

What Can You Do NOW?

- **Services Generate UFRs for FY '04-09**
- **Attend Planning Meetings/Task Force**
- **Suggest Policy/Policy Gaps:**
  - **DoDDs/DoDIs**
  - **DPG/MPG**

What Can You Do NOW?

- **Suggest Route for Advocacy and Oversight of Program through:**
  - **Metrics Development**
  - **Evaluation of Programs (Exercises)**
  - **JSIPP Expectations**

CONCLUSION

- **Recent events change the focus of worker protection from workplace threats to workplace threats INCLUDING CBRNE threats.**
- **The DoD Safety and Occupational Health programs must strategize to ensure that workers are properly protected from the CBRNE threats through policy, advocacy, and oversight.**
